

## Create a Database in Cloudant DB

Team ID	PNT2022TMID20544
Project Name	Smart Waste Management System for Metropolitan Cities

Step 1: Login into IBM CLOUD account.

Step 2: On the top left corner click on RESOURCE LIST.

Step 3: Search for Database option then click in drop down arrow.

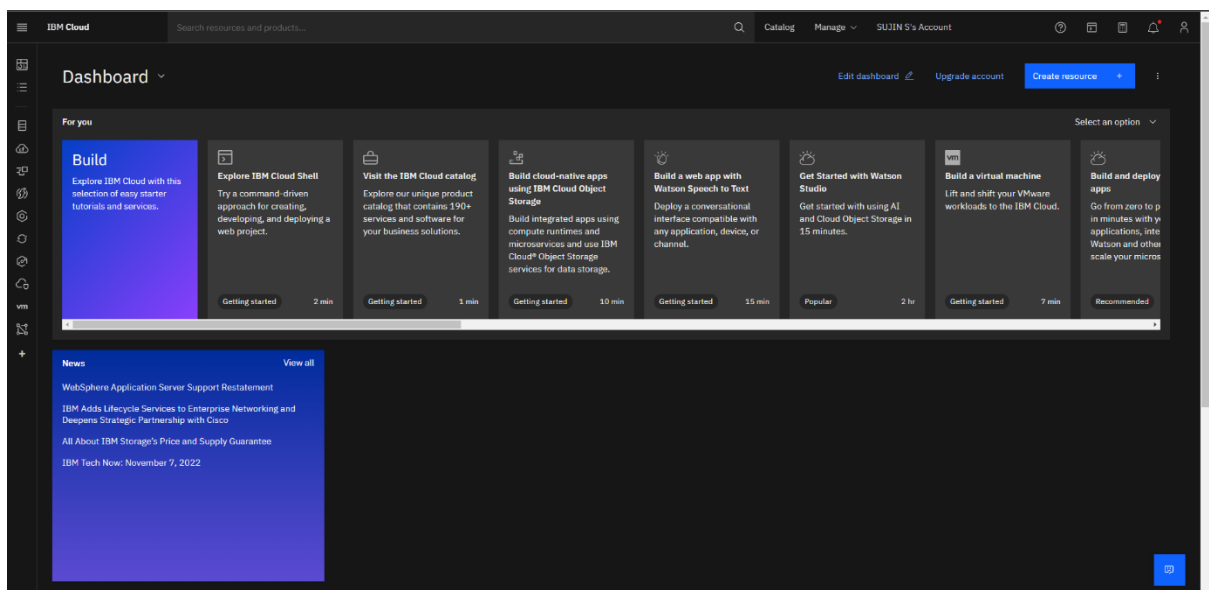

Step 4: Then click on Cloudant account available.

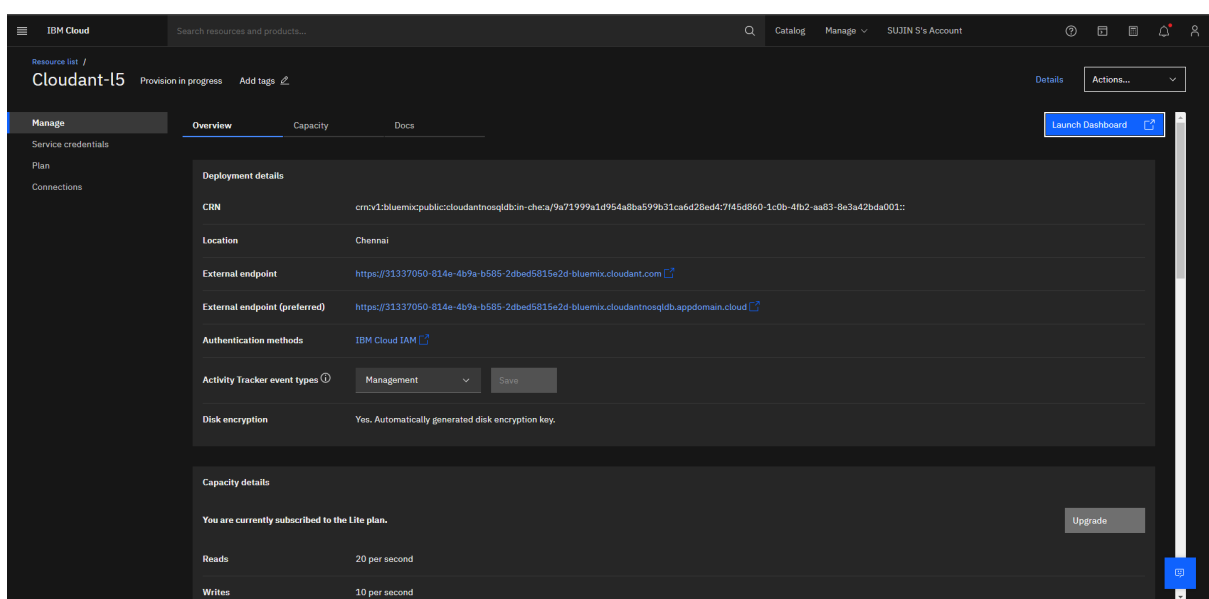

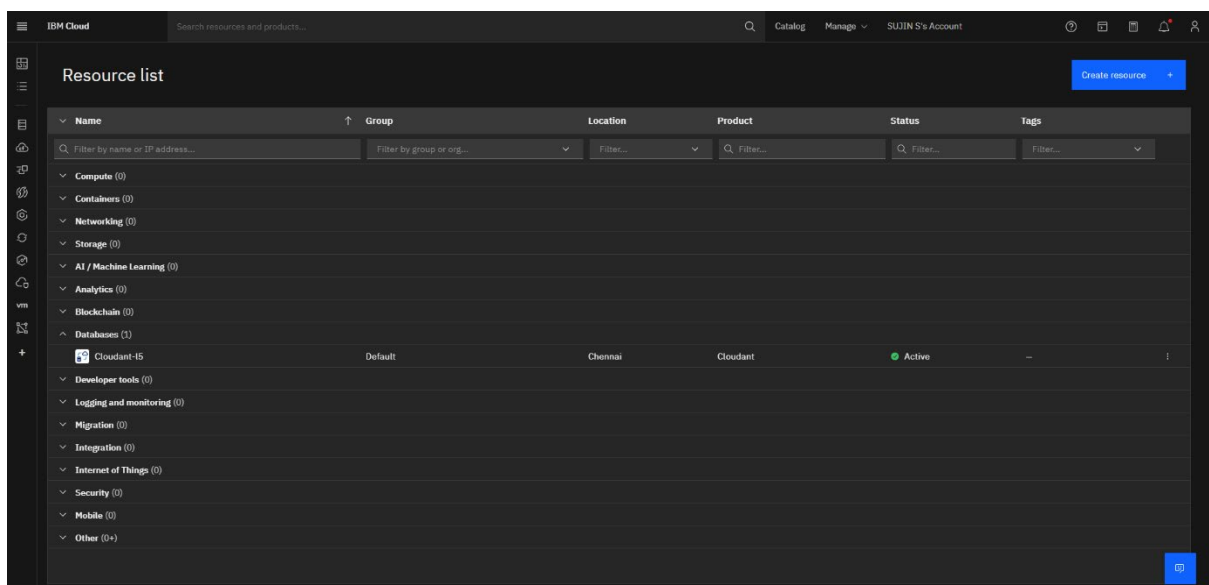

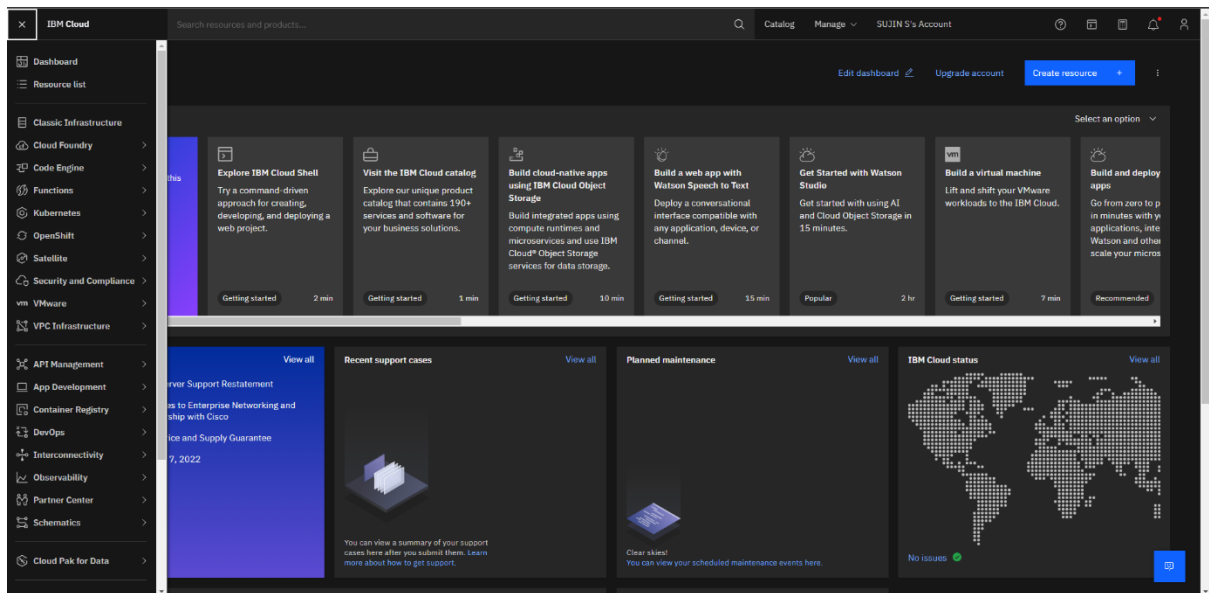

Step 5: Now, Cloudant window appears then click on launch dashboard on right corner.

Step 6: Click on create database on right corner then provide the name for database and check the - **partitioned recommended for most workloads**> option then click on create.

Step 7: Finally, Cloudant DB was Successfully created.
